

For Immediate release

Patriot Taxiway Industries Wins the U. S. Small Business Administration (SBA) Wisconsin 2012 Emerging Small Business

Lomira based manufacturer has become one of the leading innovators of LED lighting technology in the aerospace industry

June 1st, 2012 – Milwaukee WI

Patriot Taxiway Industries was named Wisconsin's 2012 Emerging Small Business during the Twenty Seventh Annual Small Business Awards Breakfast on June 1st. The U. S. Small Business Administration (SBA) offices in the state of Wisconsin presented Patriot's owners with the award.

From left to right: Steven Smits, President; Phillip Walesa, Director of Engineering; Sharon Jardas and Rick Bongiorno of M&I Bank-BMO Harris; Kevin McDermott, Vice President of Business Development and Rommy Rowhani, Vice President of Sales

Patriot's design and development of Light Emitting Diode (LED) and infrared (IR) lighting technologies has led to the company being recognized as one of the leading lighting manufacturers in the U.S. The company's major clients include the U.S Air Force, the Federal Aviation Administration (FAA) and the Boeing Company.

“Patriot Taxiway Industries is honored to have been selected as the 2012 Emerging Small Business of Wisconsin” stated Kevin McDermott, Vice President of Business Development.

The Small Business Awards, presented each year by the SBA, play an important part in our efforts to provide recognition and thanks to persons and organizations that are critical to the success of Wisconsin's small business community. Patriot Taxiway Industries was selected as an example of Wisconsin's dynamic small business community.

Patriot Taxiway Industries is a lighting systems solution provider located in Lomira, Wisconsin. Our mission is to deliver superior quality Aerospace products and services to our customers and communities through leadership, innovation and partnerships. Our core competency is to design, assemble, test and support lighting systems. We have the distinction of being a Service Disabled Veteran Owned Small Business. We actively recruit veterans to work on our team

“Patriot Taxiway Industries as a Service Disabled Veteran Owned Small Business appreciates the recognition from the SBA and the Wisconsin business community” stated Steven A. Smits President of Patriot Taxiway Industries.

ABOUT PATRIOT TAXIWAY INDUSTRIES, INC.

Patriot Taxiway Industries Inc is a service-disabled veteran owned small business that provides design, manufacturing, and delivery of quality LED products, along with the excellent service and support to their customers worldwide. In addition to runway approach lighting systems, Patriot Taxiway also provides interior and exterior aircraft lighting systems and Portable Disaster Relief LED tower lighting systems..

Patriot Taxiway Industries Inc actively recruits veterans to draw upon their skills, experience, commitment, and integrity in order to provide a superior product and service. Patriot Taxiway reaches out to the veteran community through the local veteran service officers to reach into the rich experience and knowledge of our veterans.
